Item :

Motion:

Key strategic priority areas supported by this activity:

Discussion (Background/Purpose/Advantage/Disadvantages):

Send reminders for all states to update their state profiles. Profiles provide ready information for local, district, and state use. Reminder e-mails should be sent from NAAE to state associations to update their profiles

Action Taken:

Item:

Promote Legislation

Motion:

Key strategic priority areas supported by this activity:

Discussion (Background/Purpose/Advantage/Disadvantages):

To continue asking states to post successful stories about in state legislative bills passed to benefit Agriculture Education and FFA

Action Taken:

Item:

Educationg teachers new/experinced

Motion:

Key strategic priority areas supported by this activity:

Have NAAE membes assigned to explain benefits of localand national Agriculture EducationTeacher Associations. This could be accomplished by talking with Agriculture education students at the universtiy level and hosting on campus /local events

Discussion (Background/Purpose/Advantage/Disadvantages):

Action Taken:

Item:

Motion:

Key strategic priority areas supported by this activity:

Discussion (Background/Purpose/Advantage/Disadvantages):

Have at least one person from the state attend National policy seminar sponsored by ACTE. NAAE provides funding for a candidate from each state to attend. At least one member from each state should speak up for Ag. Education
