**Item :**

Virtual Platforms

**Motion:**

N/A

**Key strategic priority areas supported by this activity:**

N/A

**Discussion (Background/Purpose/Advantage/Disadvantages):**

There was discussion on the need for a virtual platform in the future to increase accessibility and involvement. The virtual options have proven to be a preferred method of connecting with members. It was discussed how beneficial the recorded session and meetings have been to review and refer to for information and ideas.

**Item:**

Creating a Guide for Professional Development

**Motion:**

N/A

**Key strategic priority areas supported by this activity:**

N/A

**Discussion (Background/Purpose/Advantage/Disadvantages):**

It was discussed that we need a professional development guide for all parties. It was suggested to reach out to the Noble Research Center for potential PD in the future.

**Item:**

Communities of Practice

**Motion:**

N/A

**Key strategic priority areas supported by this activity:**

N/A

**Discussion (Background/Purpose/Advantage/Disadvantages):**

CoP was discussed and it was shared that it remains beneficial, however it is no longer the first place to visit when looking for new ideas. It is not as user-friendly nor as accessible as the Ag Ed Discussion Lab through Facebook. It was shared that we would like to see a place to share ideas and best practices that would allow for more communication to occur (i.e. - Ag Ed Discussion Lab. CoP remains the place members visit to access meeting agendas and minutes.
