Discussion (Background/Purpose/Advantage/Disadvantages):
<p>TALKING POINTS: Virtual Platforms - what were the takeaways, both positive and negative, that we can incorporate into future Professional development. Things to think about include ease of use, most engaging, etc.</p> <p>Creating a Guide for Professional Development - PD from states/people/institutions that are open to the general population of agriculture teachers. A list from regions would be excellent.</p> <p>Do we still need CoP? What do you use CoP for?</p> <p>What type of support do ag teachers need if CoP were to go away?</p> <p>Do we still need CoP? What do you use CoP for?</p> <p>What type of support do ag teachers need if CoP were to go away?</p> <p>Over the Virtual Platforms, but appreciate hybrid</p> <p>Participation – disappointing – spam folder, CO summer conference promotion PD Guide – love it</p> <p>LOTS of Teacher led success</p> <p>Teacher shop being built at AR camp</p> <p>Protection of skills needed for SBAE</p> <p>Creating a culture – Campgrounds help a lot!</p> <p>CoP (Don't get rid of it, please!) - Revamp and fix the broken links</p>
