CTE - AG MECHANICS Battle Mountain High School

STARTING DATE: August 2018

SALARY & BENEFITS: The annual salary will be determined by appropriate placement on the Lander County School District Certified Salary Schedule. LCSD has a limit of fifteen (15) years of out of state experience that a teacher may bring into the District. All years and /or placement in Nevada will be honored. District paid retirement, health insurance for employee, sick leave. Includes 36 day extended contract.

QUALIFICATIONS: Highly qualified Nevada Secondary 7-12 license endorsed in Agricultural Education 10 issued by the Nevada Department of Education.

RESPONSIBILITIES: Shall report directly to the site administrator and/or Superintendent. Duties consist of teaching the appropriate grade Nevada Curriculum Standards to mastery for all students in your class. LCSD reserves the right to designate all teaching stations (schools), work assignments, and other duties assigned. New employees must participate in an induction/mentoring program.

This position will give instruction in occupations associated with agriculture mechanics, welding, and wood fabrication. Occupational education and training in agriculture and agri-business are essential to the continued economic health of Nevada and the nation, as it provides the needed competent and trained work force.

Instruction in construction and manufacturing specific to agriculture provides training in specific occupational skills, duties, and tasks, as determined by the business and industry needs. Specialized career and technical agriculture programs will include, but are not limited to, the following: shop and manufacturing safety procedures and policies, use of specific tools and equipment used in production, manufacturing and maintenance associated with farms and ranches, and general agriculture and agriculture related construction.

CLOSING DATE: This position will remain open until filled.
