

# NAAE WANTS YOU... TO SERVE ON A COMMITTEE

## *What it Means to Serve?*

Attend at least two virtual meetings per year conducted by webinar or teleconference. Committees may also meet at the annual NAAE conference (encouraged but not required). More information on the committee process can be [found here](#).

## *Who Can Serve?*

Any NAAE member may serve on a committee...that means YOU!!!

## *Why Serve?*

Changes within NAAE are driven by conversations between members. Become a part of those conversations by joining a committee and help guide your profession to a successful future.
