<b>Item :</b>
Discussion on NAAE mission statement changes
<b>Motion:</b>
<b>Key strategic priority areas supported by this activity:</b>
<b>Discussion (Background/Purpose/Advantage/Disadvantages):</b>
Discussion of adding “science” behind agriculture to read “agricultural science educators” Discussion to add something that says ag teachers are adaptive since we are always changing and learning. Discussion of using the word “progressive”. We discussed taking out “visionary” and adding “progressive”.
Discussed the current mission statement drives teachers rather than NAAE- Adding the word “developing” at the beginning to make the focus on NAAE developing the professional agriculture educators.
<b>Action Taken:</b>
Potential changes to read: “Developing professionals providing agricultural educators for the global community through progressive leadership, advocacy and service”
