**Item:** Give feedback on the current PD programs: FAST, XLR8, AGI2-how is it utilized, what are the positives & negatives?

**Motion:** I move that the NAAE continue to offer XLR8 program at both the National and State Levels.

**Key strategic priority areas supported by this activity:**

**Discussion (Background/Purpose/Advantage/Disadvantages):** Illinois hosted the XLR8 program at conference last week and had a great time.

**Action Taken:**

---

**Item:** What collaboration are the member states doing with the Agricultural Organizations in their states and regions?

**Motion:**

**Key strategic priority areas supported by this activity:**

**Discussion (Background/Purpose/Advantage/Disadvantages):**

**IL works with Farm Bureau and 4-H.**

**Action Taken:**

---

**Item:** Ideas for Ag Education advocacy within the states that can be shared with other states.

**Motion:**

**Discussion (Background/Purpose/Advantage/Disadvantages):**

**Action Taken:**

---

**Item:**How do we encourage young members into leadership roles? How do we train, how do we encourage involvement?

**Motion:**

**Key strategic priority areas supported by this activity:**

**Discussion (Background/Purpose/Advantage/Disadvantages):** By promoting committee work to younger members, this will promote more leadership in the later years.

**Action Taken:**

---

**Item:**Ideas for PD for our Post-Secondary Teacher Educators at NAAE and Regional Conferences

**Motion:**

**Key strategic priority areas supported by this activity:**

**Discussion (Background/Purpose/Advantage/Disadvantages):** Promote and encourage attendance at NAAE and region conferences. Advertise the advantages of attendance and offer workshops for Post Secondary Teachers.

**Action Taken:**

---

**Item:** Evaluation of Lifetime Achievement Applications

**Motion:** I move that a section under Evaluation Criteria include supporting details (pictures).

**I move that Lucielle Shaw be named the Region IV Lifetime Achievement Award Winner.**

**Key strategic priority areas supported by this activity:**

**Discussion (Background/Purpose/Advantage/Disadvantages):** No way to evaluate the picture that are submitted.

**Action Taken:** Motion Passed
