

Interested in *Serving On* an NAAE Committee?

Each committee is comprised of three members from each of NAAE's six regions. New committee members are elected at the first virtual committee meeting of the new calendar year and as openings occur throughout the year.

To be considered for a committee member position, no later than **December 31st** of the year prior to the year you wish to begin your service, please complete and submit the on-line application and attach a signed Committee Memorandum of Understanding.

Please note that if you are re-applying for a new 3-year term on a committee where you already serve, you should submit a new committee member application and MOU.

Newly elected committee members will be announced at each committee's first meeting in the new calendar year. You may monitor or "follow" the committee spaces in Communities of Practice for the dates and times of the meetings.

About NAAE Committees

- There are seven NAAE committees. Each of the seven committees has 18 members, three members from each of the six NAAE regions.
- Every year at the winter virtual meeting, each committee will select one new committee member per region to serve a 3-year term. That term will begin at the conclusion of the winter committee meeting and end at the winter committee meeting three years later.
- There will be at least two virtual committee meetings per year. Additional virtual committee meetings may be called at the discretion of the committee leaders and members. Committees will also meet at regional NAAE meetings and at the annual NAAE convention. However, these meetings are just to gather feedback and collect suggestions. The 18 members of the full committees are encouraged, but not required, to attend their respective regional NAAE meetings and the annual NAAE convention.
