2. Old Business

~ A program for non-traditional teachers

What would it include?

Potential items to included: Intro to FFA, where to find teacher resources, certification process, curriculum development, FFA website training, OAC integration

When should it be held?

NAAE Convention like XLR8

What format?

In person with follow up throughout the year

~ Resources and support for non-traditional teachers

What resources are needed?

Potential items to included: Curriculum development, OAC tools, FFA basics, list of other non-traditional teachers

How would that be offered? Paper, email, online

Online with the ability to print

How do we inform them of the resources?

State leadership

It was recommended by the committee that the board look at options for non-traditional teachers. We are aware of the need for funding, but this is a growing and expanding need in the profession.

3. New Business:

~A place to find printable resources on inclusion, diversity, equity specific to the classroom.

We were told by Alissa that this is something that is being worked on by the joint IDE committee. If we can be informed on the updates.

~ Awards for teachers based on years of experience. Extending and equalizing platforms for all.

After discussion, no action taken.

~ State leadership training...maybe in conjunction with a regional conference? Sort of like a leadership boot camp for newly elected state leaders.

It was recommended by the committee that the board look at doing a workshop at NAAE Convention similar to what was done several years ago. The committee members have shown interest in helping since many are either current or past state officers.

4. Vote for new members

- New committee members candidates
 - Region II - Megan Thormodsgard, OK - 20-23
 - Region III - Darren Swartz, WI - 20-23
 - Region V - Pauline Benton, GA - 19-22

All candidate approved by unanimous consent.

5. Adjourn: ***5:16pm***
